SUMMARY

A motivated web developer who enjoys creating websites that are functional, responsive, and user-friendly. I focus on writing clean code and constantly learning new technologies to improve my skills and contribute to meaningful projects.

SKILLS

- **Web Development:** MERN Stack, React.js, Node.js, Express.js, Gsap, Framer motion, Tailwind, Bootstrap
- **Programming:** JavaScript, Python
- **Soft Skills:** Problem-Solving, Time Management, Communication, Team

PROJECTS

- **Portfolio Website** – Built with HTML, CSS, and JavaScript; showcases my projects, skills, and interactive animations using GSAP.
- **Creatifyo Agency** – Developed a modern and responsive creative agency website featuring clean UI, smooth animations, and engaging user experiences across all devices.
- **Sabir Shah Traders** – Built a professional business website to showcase products, services, and company information with a responsive layout and intuitive navigation.
